

Hearty Pop®

Hearty Pop is formulated to remain in a liquid state under 76°F, allowing it to be pumped and poured at room temperature. Hearty Pop is a Corn Oil and Coconut Oil blend, delivering a finished popcorn product that provides the attributes of Dupop (extra aroma, flavor and color) with the added benefit of having a much higher melting point.

Ingredients: Corn Oil, Coconut Oil, Beta Carotene (for color), and Natural & Artificial Butter Flavor.

Product Specifications
